**Excellence in  
Concentrated Chemistry  
and Dispensing**

Essential Industries' **Dilution Control System** is a versatile and user-friendly proportioning program that combines three innovative chemistry technologies with unique dilution control equipment.

## Innovative Chemistry Technologies

A broad range of excellent quality, user-friendly concentrates have been developed that meet EU regulatory demands utilizing Essential's innovative chemistry technologies:

### Dynamic Surfactant Technology

- Speeds cleaning with superior penetration and removal of soils, especially where agitation is restricted.
- Allows for easier soil separation in the bucket or scrubber.

### New Acid Technology

- More effective than many acid-based restroom cleaners without harmful effects to the user.
- Dissolves hard water deposits without the issues of hydrochloric acid.

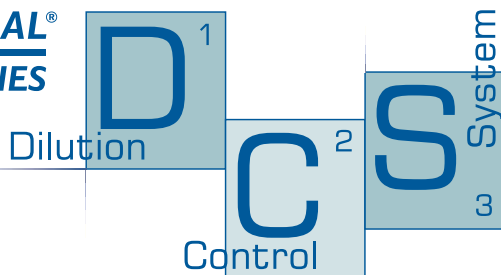

### Polymeric Surfactant Technology

- Creates VOC-free glass and surface cleaners:
  - Fast-evaporating
  - Streak-free
  - Excellent detergency
  - Safe on plastics

These new concentrates are cold water formulations that provide excellent cleaning quality and substantial savings with their economical in-use dilutions.

## Unique Dilution Control

A unique proportioning unit has been designed to provide versatility and dependability when dispensing Essential's innovative concentrates:

### Multi-Flow

- 4 or 16 liters per minute dispensing flow from same unit.
- Uniform dilution with push button accuracy ensures consistent product performance.
- Chemical flows only when water flows.
- Separate ports for bottle and bucket/equipment filling.

### Multi-Chemical Dispensing

- Same unit dispenses all concentrated chemistries.
- New draw tube in every bottle assures reliable product delivery.
- Numerically color-coded labels with icons easily identify product usage.
- Two-liter bottle easily snaps into and out of unit.
- Wall-mounted rack holds four bottles next to unit for convenience.

### Wall-Mounted or Portable Units

- Wall-mounted unit has compact profile and easily mounts anywhere.
- Meets water authority regulations to prevent water supply contamination.
- Portable unit provides same features along with usage flexibility throughout the facility.

Essential's **Dilution Control System** offers excellence in a versatile and user-friendly approach to dilution control that results in savings for your facility.

# Products

● = Trigger bottle    ● = Equipment (buckets, scrubbers)

Product Number	Product Code	Product	Description	Dilution Rate/ Color/Fragrance	Typical Usage
<b>1</b>	2701EU-2L4	<b>DCS Glass Cleaner</b>	Streak-free powerful formulation for glass, mirrors, stainless steel and laminates.	1:32 Blue Clean fragrance	●
<b>2</b>	2702EU-2L4	<b>DCS Spray Cleaner</b>	Powerful non-butyl spray and wipe cleaner that breaks up grease and soils on contact.	1:32 Green/Yellow Citrus fragrance	●
<b>3</b>	2703EU-2L4	<b>DCS Daily Restroom Cleaner</b>	Non-acid restroom cleaner brightens chrome, stainless steel on fixtures and removes soils quickly.	1:32 Dark Pink Floral fragrance	●
<b>4</b>	2704EU-2L4	<b>DCS Weekly Restroom Cleaner</b>	Weekly maintenance cleaner for areas with hard water build-up. Fast-acting, free-rinsing.	1:32 Red Floral fragrance	●
<b>5</b>	2705EU-2L4	<b>DCS Deodorizer</b>	Pleasant citrus fragrance eliminates smells and leaves a clean, fresh scent.	1:32 Orange Citrus fragrance	●
<b>6</b>	2706EU-2L4	<b>DCS Neutral Cleaner</b>	Neutral pH no-rinse cleaner removes soiling from floors without damaging floor finishes.	1:128 Green Outdoor fragrance	●
<b>7</b>	2707EU-2L4	<b>DCS Non-Butyl, Food Grade Degreaser</b>	Non-solvent, water-based degreaser suitable for cleaning all water-washable surfaces in food preparation areas. Non-corrosive to soft metals.	1:128 Clear No fragrance	● ●
<b>8</b>	2708EU-2L4	<b>DCS Low Foam, All Purpose Cleaner</b>	All purpose cleaner for manual and equipment use on all washable surfaces. Low foam makes this an excellent cleaner for use in scrubbers.	1:128 Aqua green Citrus fragrance	● ●
<b>9</b>	2709EU-2L4	<b>DCS Neutral Disinfectant Cleaner</b>	Neutral, low foam, disinfectant cleaner, fungicide and virucide for all hard surfaces. Does not dull floor finishes. Effective against HIV-1 and 2.	1:128 Light green Fresh fragrance	● ●

Four, two-liter bottles are packaged per case. Dispensing unit and wall-mounted rack are packaged individually.
