Neutral Cleaner Plus is a Green Seal certified no-rinse floor cleaner. Its unique formula contains only detergents and water – it does not contain alkaline builders or solvents that can dull or leave a film on floor surfaces. This product is multi-purpose too – excellent for cleaning walls, equipment, sealed wood floors, marble, display cases, furniture and stainless steel.

Directions:

Note: This product should be diluted at 1:256 with cold water.

1. Loosen the small cap. Squeeze the bottle to fill the graduated cylinder to desired marking. For daily cleaning, dilute 1 ounce per 2 gallons (generally 2 ounces per mop bucket and 8 ounces per auto-scrubber).
2. Remove the small cap and pour measured concentrate into your bucket or scrubber.
3. Clean surface and let dry – no rinsing is required.

Contents: Water 7732-18-5, Surfactant blend N.A., Sodium gluconate 527-07-01. 2746J1805.

Floor Coating and Finishing Material.
