Liquid Detergent

For Pots, Pans, and Equipment

Features

- Produces rich, long lasting suds that cut through heavy food grease and grime.
- Leaves dishes, glasses, utensils, pots, pans and equipment parts sparkling clean.
- Special skin-softening ingredients and low pH (5.0-6.0) reduce irritation and dryness to hands.
- Designed for use in multiple compartment sinks or in buckets for clean-in-place operations.
- USDA C1 approved.

Properties

Type.....	Synthetic Detergent
Form.....	Clear Liquid
Color.....	Blue
Odor.....	Floral
Weight per Gallon.....	8.91 Lbs.
pH.....	5.5 - 6.5
pH 1%.....	7.0
Storage Stability.....	Min. 1 Year
Freeze/Thaw.....	Passes 3 Cycles
Foam Height.....	Very High
Activities.....	>35%
Solids.....	>35%
Viscosity.....	220 cps
Hard Water Tolerance.....	Excellent
Typical Dilution.....	1:256
USDA.....	C1

* Properties are typical and subject to usual manufacturing tolerances
