

SHOWER AND RESTROOM MAINTENANCE UNIT

Enhances Productivity

FEATURES

- This portable *Shower and Restroom Maintenance Unit* proportions and applies chemicals directly onto all shower and restroom surfaces.
- The portability and versatility of this unit enhances productivity by featuring all three cleaning applications on one unit — cleaning, rinsing and sanitizing.
- The proportioner features fingertip on/off control. Foaming and spray heads attach to 25-foot hose.
- Uses *Foaming Restroom and Shower Cleaner* as the descaler and cleaner and *Quat Rinse* for sanitizing and deodorizing.

Shower and Restroom Maintenance Unit includes cart, triple valve option for two different product applications plus water rinse, 25-foot hose, attachment basket, foam wand and spray gun.
