TRAINING

Neutral Cleaner Plus

Super Concentrated

Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand.

DISPOSAL

PRODUCT: Dispose of contents and container in accordance with all local, regional, national and international regulations.

CONTAINER: Please recycle container.

VENTILATION: No special ventilation needed. However, use of adequate ventilation is good industrial practice.

IMPROPER USE OR DILUTION

IMPROPER USE: May irritate eyes, skin and gastrointestinal tract and may increase the risk of health effects. Avoid eye and skin contact. Do not ingest. Avoid breathing vapor or mist.

IMPROPER DILUTION: Under dilution may affect product performance. Over dilution may leave a residue. May increase the risk of health effects.

See Product Safety Data Sheet Before Using.

Directions For Use of SUPER CONCENTRATE

NOTE: This product should be diluted at 1:256 with cold water.

1. Loosen the small cap. Squeeze the bottle to fill the graduated cylinder to desired marking. For daily cleaning, dilute 1 ounce per 2 gallons (generally 2 ounces per mop bucket and 8 ounces per auto scrubber).
2. Remove the small cap and pour measured concentrate into your bucket or scrubber.

Directions for Use of DILUTED PRODUCT

The ready-to-use solution has already been properly diluted.

For Daily Floor Cleaning (diluted at 1:256):

1. Fill mop bucket or auto-scrubber with product.
2. Clean surface and let dry – no rinsing is required.
