Neutral Cleaner Plus Super Concentrated

DISPOSAL

PRODUCT: Dispose of excess product in accordance with local, state and federal regulations.

CONTAINER: Recycle HDPE container.

VENTILATION: No special is ventilation needed. However, use of adequate ventilation is good industrial practice.

IMPROPER USE OR DILUTION

IMPROPER USE: May irritate eyes, skin and gastrointestinal tract and may increase the risk of health effects. Avoid eye and skin contact. Do not ingest. Avoid breathing vapor or mist.

IMPROPER DILUTION: Under dilution may affect product performance. Over dilution may leave a residue. May increase the risk of health effects.

Read label before use. Keep out of the reach of children. If medical advice is needed, have product container or label at hand.

Directions For Use of SUPER CONCENTRATE

NOTE: This product should be diluted at 1:256 with cold water.

1. Loosen the small cap. Squeeze the bottle to fill the graduated cylinder to desired marking. For daily cleaning, dilute 1 ounce per 2 gallons (generally 2 ounces per mop bucket and 8 ounces per auto scrubber).
2. Remove the small cap and pour measured concentrate into your bucket or scrubber.

Directions for Use of DILUTED PRODUCT

The ready-to-use solution has already been properly diluted.

For Daily Floor Cleaning (diluted at 1:256):

1. Fill mop bucket or auto-scrubber with product.
2. Clean surface and let dry – no rinsing is required.
