

SPORT TACK

1129SF

Dual-Purpose Wood Floor Cleaner

Sport Tack is a versatile, dual-purpose wood floor cleaner. It can be used for post prep cleanup or for daily cleaning and maintenance to ensure maximum slip resistance and finish integrity.

-  **Tacking cleaner and dust mop treatment**
-  **Dissolves rubber burns, black marks, mop treatments and soil**
-  **Removes common food soils found on gym floors (dried soda, candy, etc.)**
-  **For thorough, low moisture cleaning of wood floors without an auto-scrubber**
-  **Use for tacking to remove dust before sealing and/or finishing**
