Sport Kote® PC is the next generation of Sport Kote, the market leading one-part, water-based gym coating for the last 15 years. But now, that innovative self cross-linking formula incorporates revolutionary polycarbonate technology. This is the same material found in the bullet proof canopy of the U.S. Military's new F-22 Raptor fighter jets.

That means **BIG GAINS** in:

- **SCRATCH RESISTANCE**
- **SCUFF RESISTANCE**
- **DURABILITY**
- **DEPTH OF GLOSS**
- **GLOSS LONGEVITY**

More benefits include:

- Easy, dustless prep – no sanding or screening required
- Single-component, just pour and apply
- No pot life
- Adheres to ANY sound gym floor coating
- Easily restored to like-new gloss
- Fast dry time – 60 minutes under normal conditions
- Play on it the next day
- Finish lasts at least a year with proper maintenance
- Self cross-linking eliminates need for catalysts, gluing or heavy metals
- VOC-compliant in all 50 states
- n-MP-free
