**IT'S MY MISSION
TO COVER THE
WORLD IN
GLOSS!!!**

**SAVING
MONEY AND
LABOR FOR
EVERYONE!!!**

But where
to start?...

AT AN OFFICE!!!

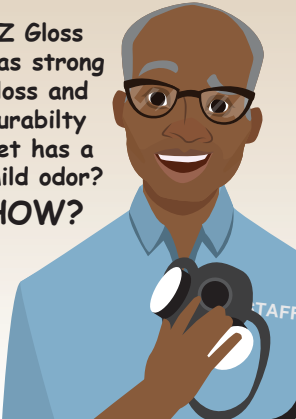

Our budget-
priced finish has
weak gloss and
durability, and
the fumes are
really strong! It
makes this work
more difficult!

**ESSENTIAL INDUSTRIES
CAN REVERSE THAT
PROBLEM AND
MAKE IT
"E-Z"!**

**WITH
EZ GLOSS!!!**

CAPTAIN ESSENTIAL!

EZ Gloss
has strong
gloss and
durability
yet has a
mild odor?
HOW?

Other, LESSER floor
finishes often contain
AMMONIA, which
impairs gloss build
and increases odor!

EZ GLOSS IS AMMONIA-FREE!

LATER: EZ Gloss made this
job easier with less odor to deal
with! The floor looks great, too!

You won't need
THIS anymore...

Contact Essential to see how EZ GLOSS
can make your work less smelly
and your floors more glossy!
